

Not your average Summer Camp

This summer was unlike any other. In the end Family camp and Merge were the only residential camps in the summer, with the other 6 camps ending up as a mixture of day camps and virtual. Every camp had the chance to have at least one day at Mullartown, which was a huge step up from last summer's fully virtual camps. Seeing how much the campers loved being back on-site was just wonderful, and the programme directors reported some good conversations in quiet times, both on-site, and on Zoom (for the teens).

Our bible lessons looked at the life of Joseph and how he was rejected, sold, put into prison, became a prime minister of Egypt - saving a nation and finally forgiving his family. We also learned how Joseph made us think about Jesus and what Jesus did for each one of us.

In Junior and Senior Teens they were looking at ANTICIPATE - sharing with the campers what they are to expect in a life following Jesus from the story of Joseph.

On the reverse of all our camp T-Shirts we had the verse from Romans 8:28 "And we know that

in all things God works for the good of those who love Him, who have been called according to His purpose" - a daily reminder that God had a plan and a purpose, even when there were multiple challenges.

We are SO thankful for all the opportunities to share the Word of God with children and teenagers (and adults!) via the summer camp ministry - COVID has taught us not to take those privileges for granted and we can't wait to return to a normal COVID FREE summer.

Thank you for your input during the summer.

We have been programme directing for 2 years now: have we lead an actually full week of camp in person?...nope, not with COVID.

However despite the difficulties and barriers of these two years, God has still moved, he had met with us and we are super pleased with our time at Juniors so far. This past summer it was great to see a boys' dorm fully engaging with prayer times.

Our vision for JT is for a place where teens come and fall more in love with Jesus and grow in

their desire to live for him in all the different areas of their lives. God willing, Summer 2022 will give us the opportunity to run a full camp and get back to the crazy activities and chaos that JT brings!

Throughout the year at Juniors we run a programme called DEEPER, it is on every first Saturday of the month from 7pm - 8.30pm, follow the Juniors instagram page for more details.

Dan McCready & Gemma Gordon

I loved Week 2 of Kids Camp at Mullartown this year. I enjoyed the fun activities and Bible lessons. During the week I enjoyed doing the bouncy castle obstacle course, racing down the water slide on water fun day, and decorating cupcakes with sprinkles and mini marshmallows.

I made a few new friends when we had "dorm time," where we talked, played games and bought some sweets from the tuck shop. We were very well fed at lunch and dinner time on both days and I looked forward to what the leaders had prepared for us online in-between days.

I learned that Joseph was thrown in a well, then sold and put into prison for something that wasn't his fault. God will always be there for you no matter what situation you're in, just like Joseph, because he still trusted God no matter what.

Zac Glenny (Age 11)

Hi, my name is Arabella and this was my second year at week 3 camp. I had a wonderful time. It was so exciting getting my box for virtual camp. We did fun games and had wonderful stories, challenges and many more things! It was so exciting to go to Mullartown for one day. My favourite part was when we went on the slip'n'slide - it was amazing! The lunch and dinner at camp were delicious! My favourite song that we sung at camp was "Counting on God" because it has a very good message that we can always count on God. The stories were about Joseph and we learnt about how he lived. He had an amazing life. God helped Joseph in his life in an amazing way. I learnt that God can help me in many ways, just like Joseph - I just need to pray and ask him to help me and he will! I can't wait to go back next year.

Arabella Foote (Age 10)

In the many years of going to Mullartown, Senior Teens 2021 definitely wasn't like the past! Due to restrictions everyone had a full day down at Mullartown where the leaders set up an obstacle course involving lots of water (obviously) and soap and slime. It was great craic especially throwing exercise balls at those doing the course.

We spent two other days on virtual camp, where we had tasks and games to try at home, along with zoom meetings with dorm leaders and livestreams of barn time. On the final day we had a Hawaiian themed party at Mullartown, we played team games, enjoyed mocktails under the sun and a BBQ. Barn time was amazing as always, full of worship that continued on into the night around campfires.

It was a blessing to meet up at Mullartown for those few days. Camp never fails to be a unique week packed with fellowship and learning. Mullartown is a place that's safe and full of love where I can be myself; I built special friendships with other Christians my age and was sad to leave at the end of the week. Mullartown has a special place in my heart where you just feel God's presence everywhere and in everyone.

Salome McKibben

I loved all Week 3 Kids' camp but my favourite part was the water slide...it was my favourite because we got to slide down on the inflatable donut.

This year we learnt about Joseph. My favourite bit was when Joseph got back together with all his family at the end. He really missed his Dad and his brothers and I loved that they all got to come to Egypt to live with him. I can't wait to be able to go and stay at camp - it's so much more fun being at camp!

Ruby Ray Campbell (Age 10)
